### Catholic Eparchy of Keren St. Michael church building progress

When complete St. Michael Church will look like this

Site Blessing by Abune Abraha

Corner stone laying by Abune Abraha

The corner stone of St. Michael stone was laid and blessed by Bishop Abraha Francois in 1965. Due to wars and financial problems construction did not resume until 2002.

Thanks to the tireless efforts of late Bishop Tesfamariam Bedho, the current Bishop Abune Kidane Yebio, benefactors and contributions from our people from around the world construction started in 2002 and is making steady progress. Until we see its completion date we ask you all, **children of God**, to tirelessly continue to help us to complete this house of God.

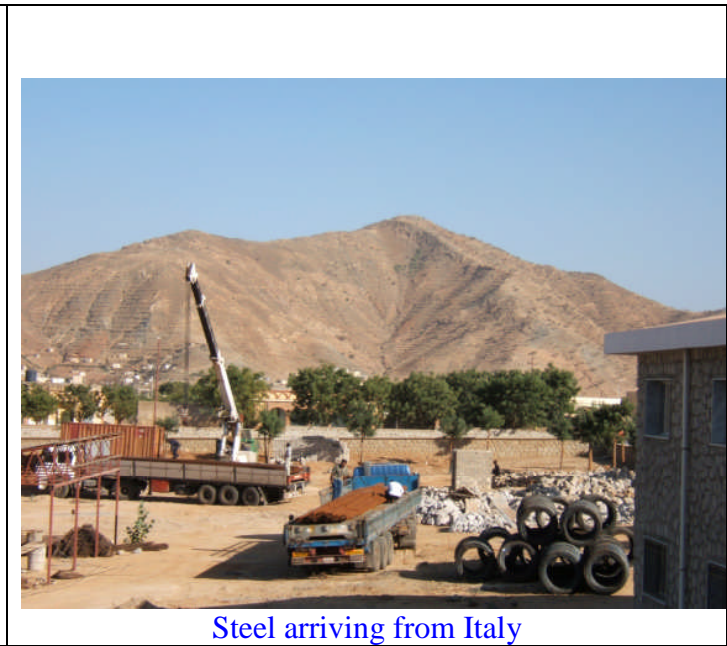

Please make your **tax deductible donation**, to fund a section of the church, a truck load of sand, a truck load of stones, a window, a door, **or a brick**, no gift is too small. **God will bless you** for your generosity. You will be in our prayers. Make your tax deductible checks to: **The Catholic Diocese of Keren, St. Michael church fund** and mail the check to:

As the prophet Haggai proclaims “Go to the hill country, fetch wood, and rebuild the House: I shall then take pleasure in it, and be glorified in it says the Yahweh” Haggai 1:8,

ከምቲ ትንቢት ሓጌ ዝብሎ "ናብ ኣኸራን ደይቡ ዕንጨይቲ ኣምጽኡ ነታ ቤት ኣምላኽ ከዓ ሰርሖዎ። ኣነ ድማ ብኣኣ ክሕጎስን ክኸብርን ኢየ..." ይብል እግዚአብሔር። ትንቢት ሓጌ 1:8
