

A serene sunset scene over a beach. The sun is a bright, glowing orb on the horizon, casting a long, shimmering reflection across the wet sand. A single seagull stands in the shallow water in the foreground, its silhouette dark against the golden light. The sky is a deep orange, and the entire scene is framed by a light blue border.

I Thank You Lord...

--Author Unknown (Translated from Spanish)

I Thank You Lord...

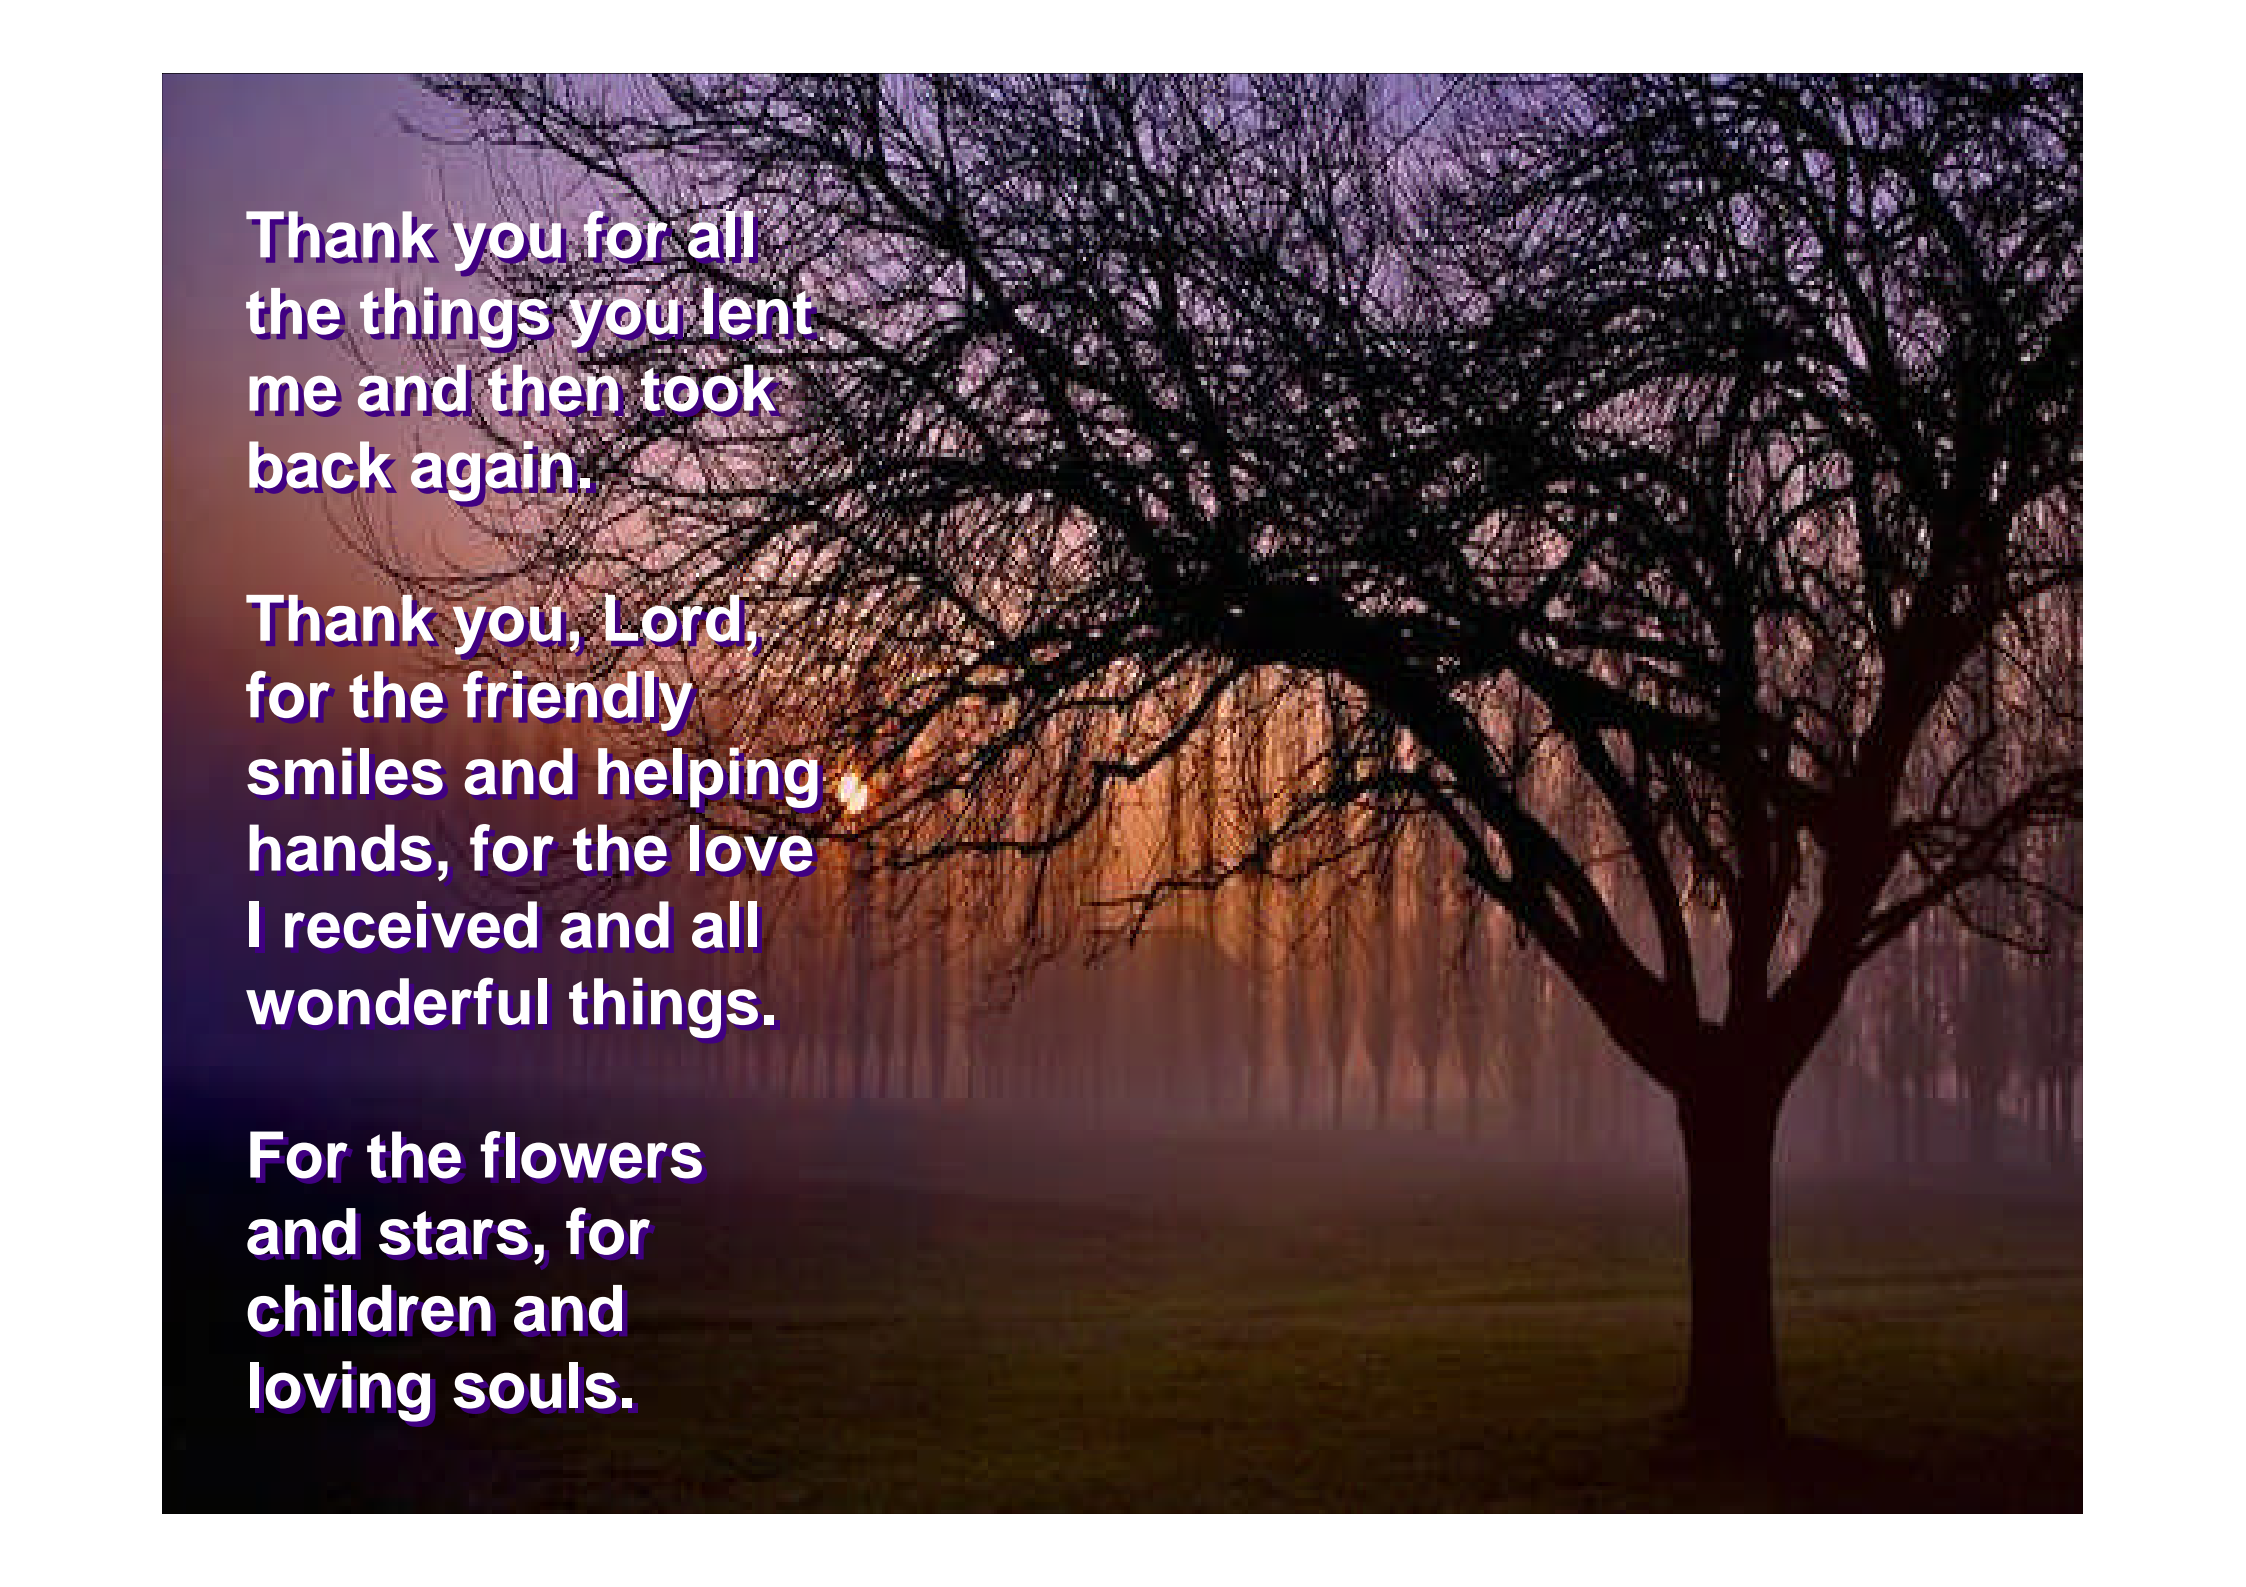

... for all the blessings
you gave me this year.

... for the sunny days
and for the sad, cloudy
days.

... for the peaceful
afternoons and the
long, dark nights.

Thank you for health
and sickness, for the
sorrows and joys I had
this year.

**Thank you for all
the things you lent
me and then took
back again.**

**Thank you, Lord,
for the friendly
smiles and helping
hands, for the love
I received and all
wonderful things.**

**For the flowers
and stars, for
children and
loving souls.**

**Thank you for the
loneliness, for work,
for difficulties and
problems, for
uncertainties and tears
because all these
brought me closer to
You.**

**Thank you for
preserving my life, for
supplying shelter, food
and all my needs.**

What awaits me this Year?

**Whatever you wish,
My Lord**

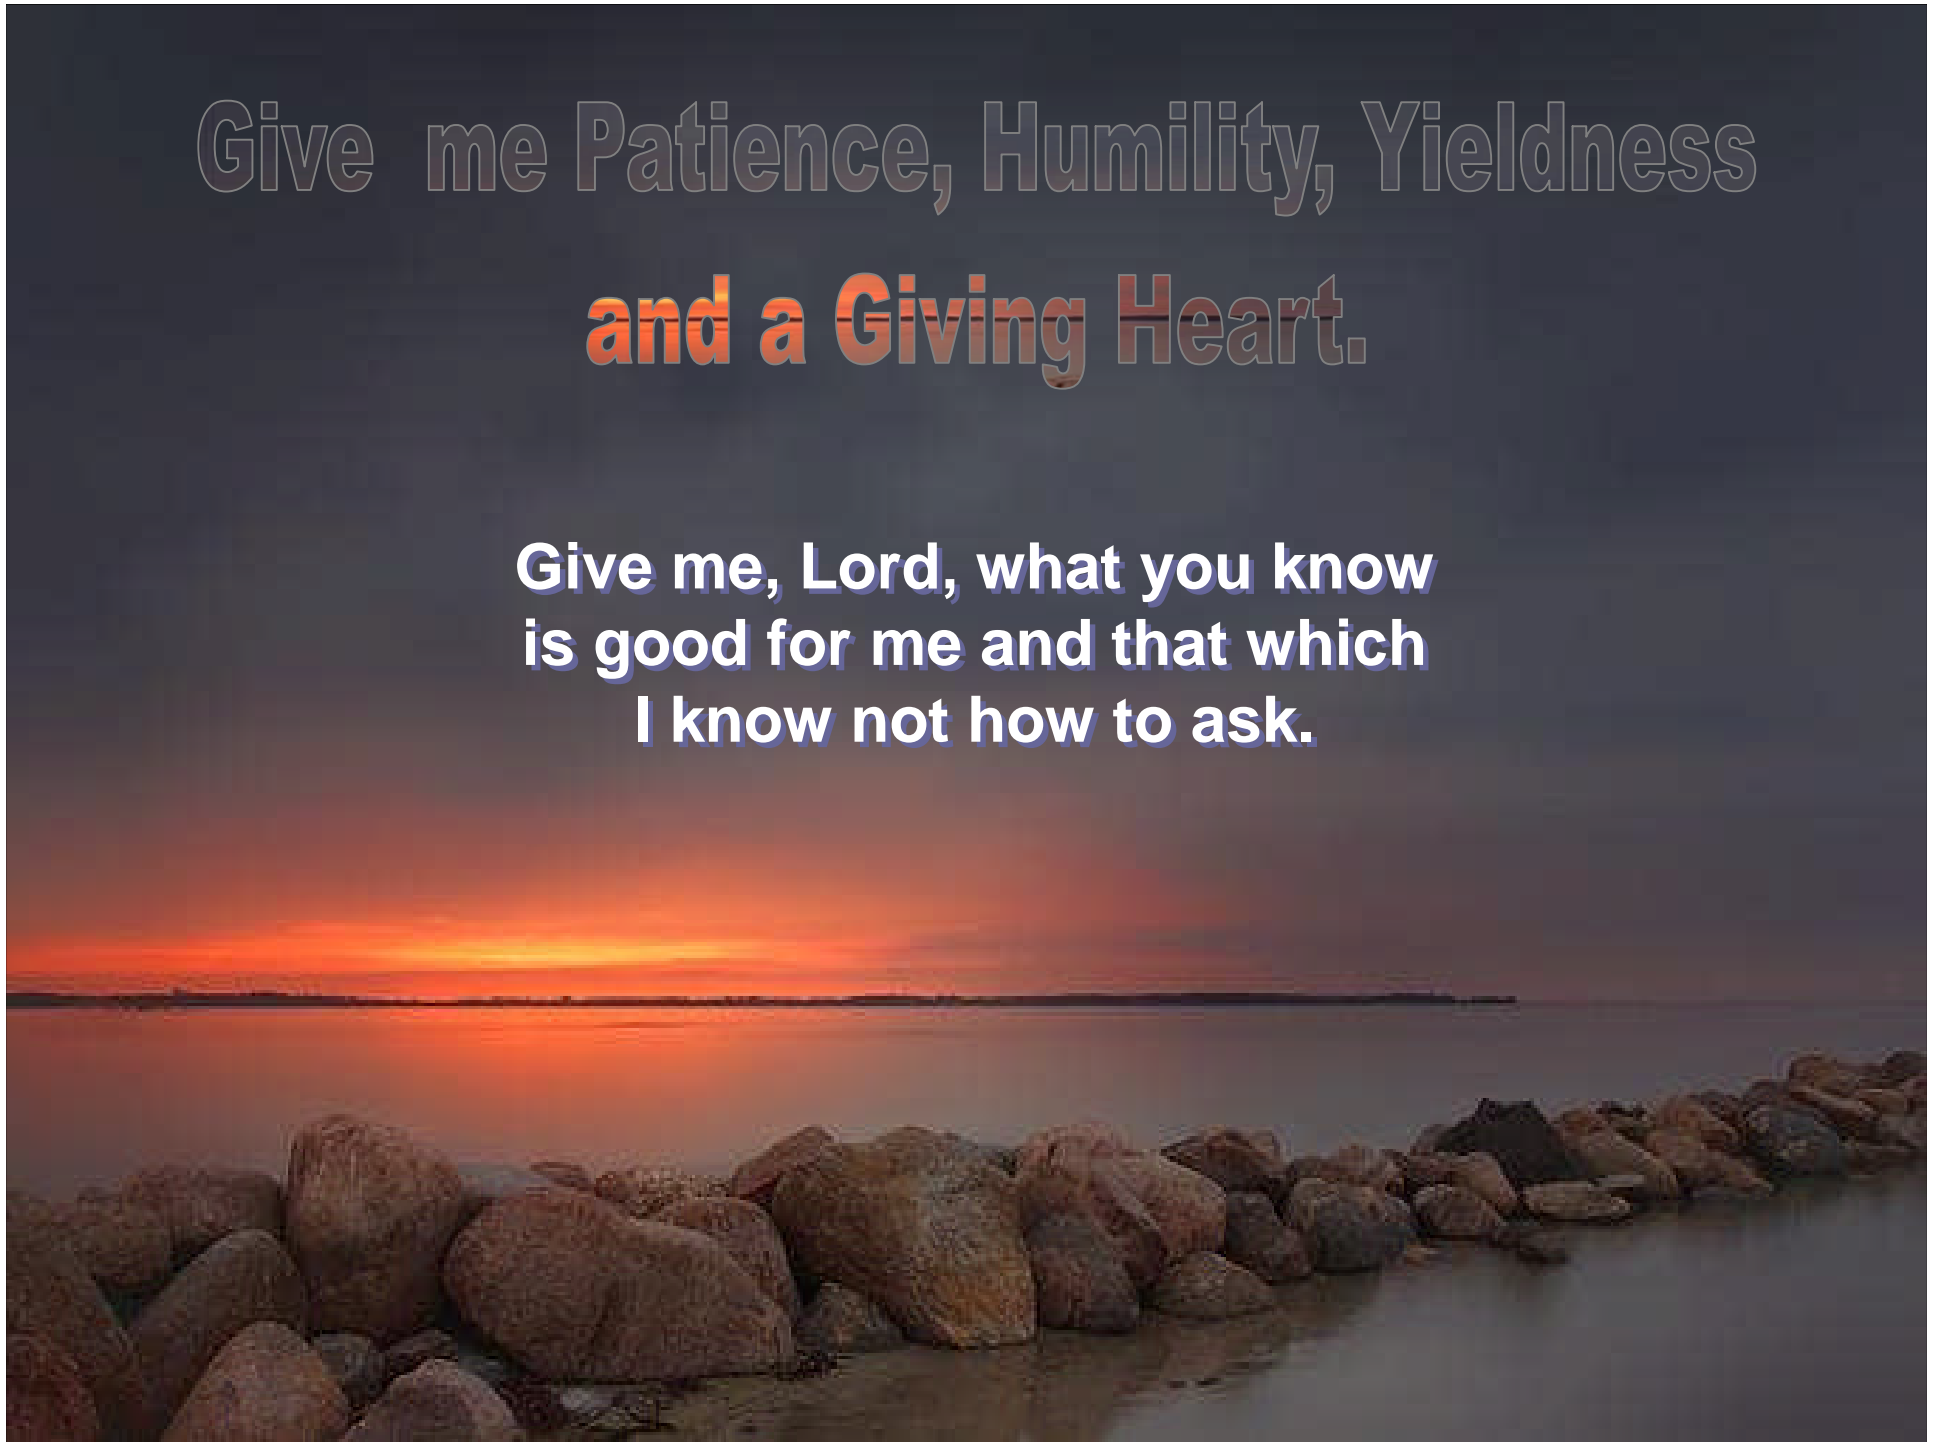

**... I ask only that you
grant me faith to see
you in everything that
comes my way,**

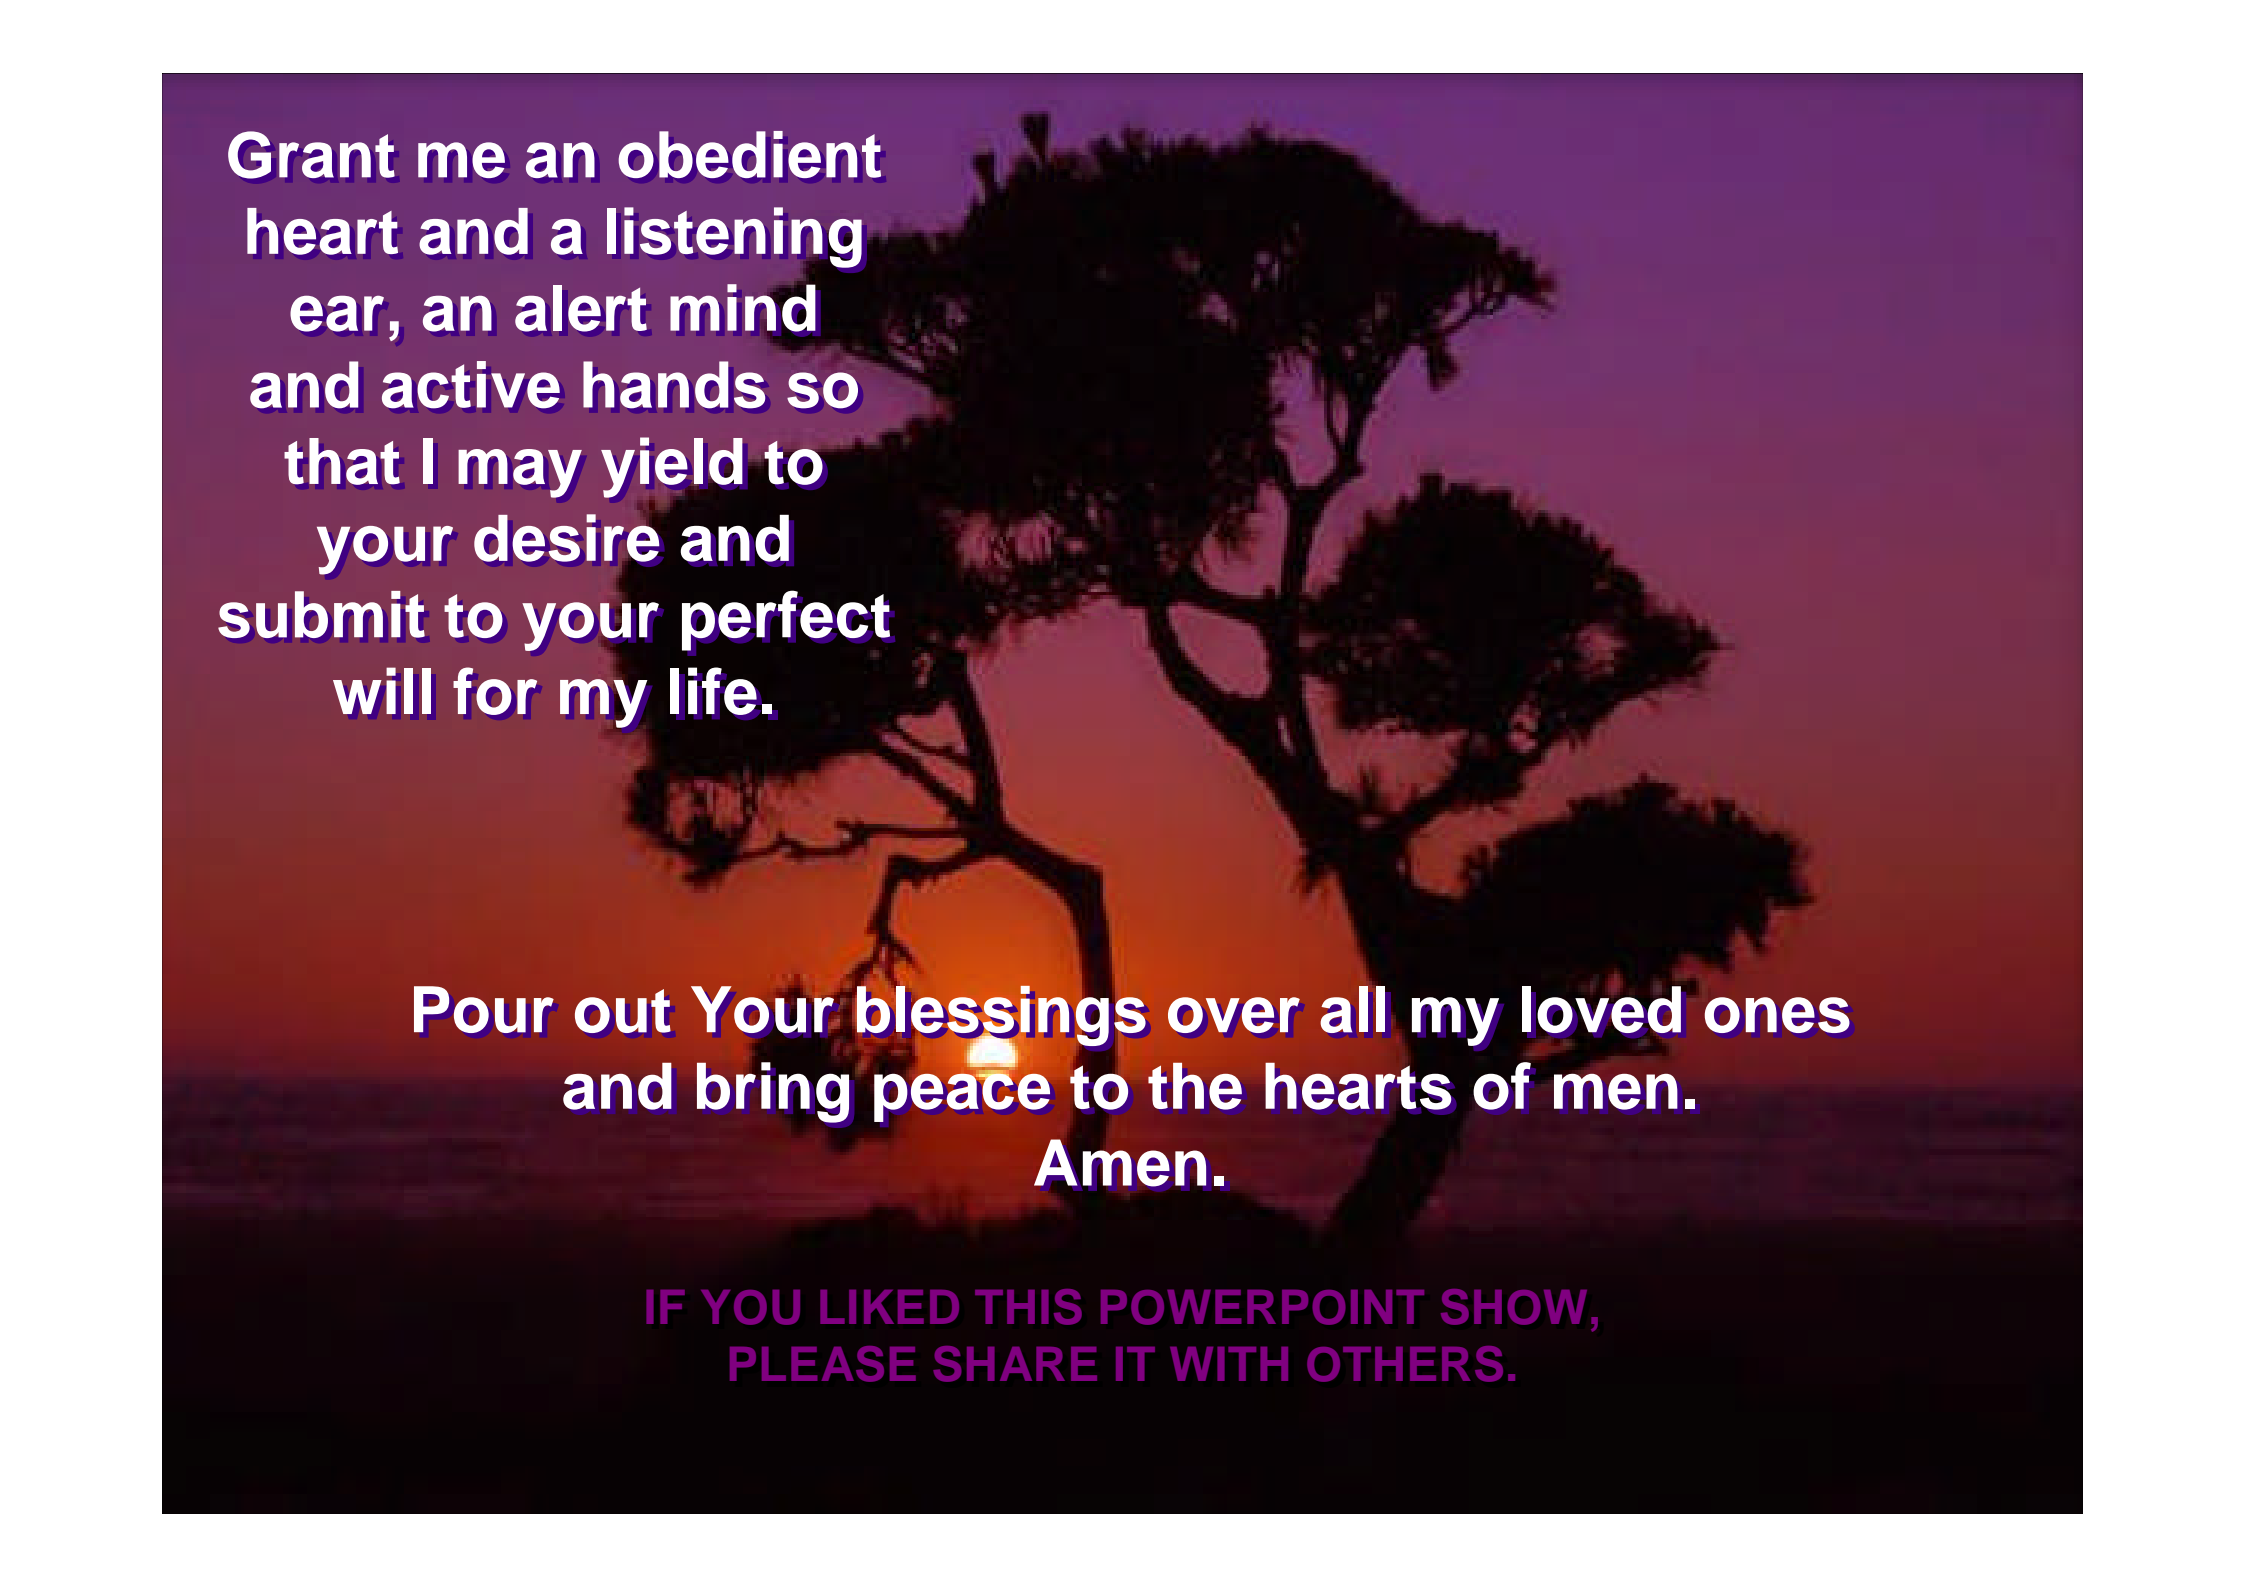

**Hope & Courage to
not give up,**

**And Love... more love
for you each day and
for those around me.**

Give me Patience, Humility, Yieldness
and a Giving Heart.

**Give me, Lord, what you know
is good for me and that which
I know not how to ask.**

**Grant me an obedient
heart and a listening
ear, an alert mind
and active hands so
that I may yield to
your desire and
submit to your perfect
will for my life.**

**Pour out Your blessings over all my loved ones
and bring peace to the hearts of men.
Amen.**
